**"In Kay Scarpetta,
Patricia Cornwell has a
character as strong as
any in popular fiction."**

- *The Wall Street Journal*

Kay Scarpetta accepts an assignment in New York City, where the NYPD has asked her to examine an injured man on a psychiatric prison ward. The patient has specifically asked for her, and when he begins to talk, his story turns out to be one of most bizarre she has ever heard.

Cornwell is the author of fifteen Scarpetta novels, four non-Scarpettas, and *Portrait Of A Killer*.
