In the throes of the Great Depression, a make-work initiative for authors—called “America Eats”—was created by the WPA to chronicle the eating habits, traditions, and struggles of local people. Mark Kurlansky unearths this forgotten literary treasure, chronicling a bygone era when Americans had never heard of fast food or grocery superstores. Kurlansky brings together the WPA contributions—featuring New York automats and Georgia Coca-Cola parties, Maine lobsters and Montana beaver tails—and brilliantly showcases them with authentic recipes, anecdotes, and photographs.
